**PowerObjects Launches Microsoft Dynamics CRM Hosted “Name Your Price” Program**

**Minneapolis – January 11, 2010** — PowerObjects, a leading provider of Microsoft Dynamics CRM (Customer Relationship Management) solutions, today announced the launch of Microsoft Dynamics CRM Hosted “Name Your Price” program.

The PowerObjects CRM hosted “Name Your Price” program is designed let companies and organizations “name their price” for a hosted Microsoft Dynamics CRM solution. With the “Name Your Price” program, PowerObjects runs, monitors and hosts the Microsoft Dynamics CRM application via their robust data center giving customers real-time monitoring, and online and offline access 24/7.

“We know that every business is different and requires technology solutions that can adapt to the changing business climate. That’s why our Microsoft Dynamics CRM hosted solutions provide flexibility, choice and more importantly, affordability. The “Name Your Price” solution allows companies the ability to tell us what they are willing to pay for a CRM hosted solution. Based on their needs, requirements and budget, we will help them select the right solution to fit their needs at their price,” said Jim Sheehan, COO of PowerObjects.

As an added bonus, PowerObjects “Name Your Price” Microsoft Dynamics CRM hosted customers automatically receive an additional collection of the most requested CRM system customizations and capabilities through PowerObjects PowerPack solution that will make their system even more user-friendly and easy to use at no additional charge. These additional capabilities include:

- [PowerEmail](#)
- [PowerDashboard](#)
- [PowerSurvey](#)
- [PowerView](#)
- [PowerEdit](#)
- [PowerFax](#)

- more -
